SCHOOL TOPPER S. YUVEKA scored 85%.

The school children, parents, staff, Principal and the Management are grateful to God, for this success, in this very challenging situation, also, keeping in mind the type of school it is for the first generation learners and for the economically underprivileged section of society in the neighbourhood area.

Thank you for one & all for their help to make these children achieve this.
Thank you for everything.

In gratitude to Iswara
S. Mangayarkarasi.
