

## **Report on Social Meet – 21st Batch**

The Social Meet for the 21st batch was conducted successfully with great enthusiasm and joy. The event was organized by the students of Class IX, who put in great effort to make the program memorable and enjoyable.

The event began on a traditional note with the lighting of the lamp by our respected Principal and Advisor and class X handling teachers symbolizing the start of the celebration.

Various games were organized for the Class X boys and girls, which brought excitement and active participation among the students. The winners were appreciated, and a special moment of the event was the crowning ceremony, where titles were awarded to the students.

The program continued with heartfelt speeches delivered by Class X students, teachers, Advisor and Principal. Their words were inspiring, emotional, and filled with good wishes for the students' future.

After the speeches, the prize distribution ceremony was held to recognize the achievements and talents of the students. As a sign of carrying knowledge from the Alma Mater, school leaving children lit the lamp, from the light lit at the beginning of the program. Students were also honoured with mementos and gifts as a token of love and appreciation.

One of the joyful moments of the day was the cake cutting ceremony, which added the celebration to the occasion. The event concluded with the vote of thanks, expressing gratitude to everyone who contributed to making the program a success.

Finally, the celebration ended on a cheerful note with snacks, where students and staff shared happy moments together.

Overall, the Social Meet was a memorable event filled with joy, appreciation, togetherness and emotion.
